YOUNG AUTHOR'S WORKSHOP: This week our young authors will be generating new material and discussing new aspects of the short story craft, such as scope, narrator reliability, structure and plot.

OUT OF THIS WORLD: Let your child's imagination take them to the outer galaxies!! This fun week is filled with Alien activities, glow-in-the-dark crafts and a fun skit.

CRUISE SHIP: Come sail away.....Join us for a fun and adventurous trip on a cruise ship to various countries with good friends, good food and total relaxation.

AQUA WORLD : This week is filled with water fun! Kids will have a great time with creative and hands-on activities with all things water using STEM, arts and science.

DISNEY @ NK LAND: Let the magic begin Disney style at Nurture Kids!! Each day will be a different theme in a fun, upbeat environment. Give a little whistle and wish upon a star as we explore the wonderful world of Disney!

JUMANJI : Welcome to the Jungle week! Kids will have super fun making their own board game, Binoculars, Safari Animals, finger puppets and much more!!

SUPER HEROES : Lets be silly and pretend to be Super Heroes !! Along with discussions on what it means to be a hero and how to recognize everyday heroes in our lives, kids will stay busy with STEM challenges and theatre activities.

PLANES, TRAINS AND AUTOMOBILES: Campers....start your engines!! This week we will learn about how things move and the concept of force and motion through fun and thought-provoking activities.

MAD SCIENTIST : Many great scientific discoveries come out of happy accidents and messy experiments. Spend your week doing some crazy, whacky and wierd science. Learn all about polymers, make a bouncy ball, learn about various chemical reactios, make a fizzy bath bomb and much more!!

GAME SHOW: In this week, your kid could be the next contestant on Game Show Mania! During this fun and exciting week, campers will participate in playing child-versions of the most popular TV game shows from past and present. We'll be playing games such as Minute -to-Win-it, Are you Smarter than a 5th Grader etc. where campers can play and compete for fame and prizes. What a fun way to spend the last week of Summer!!
